**From: Wes Merkle**

**Date: August 1, 2018**

**Subject: WWTP Oxidation Ditch Gear Reducer Replacements**

Staff recently issued a Request for Quotations to contractors for the subject plant repair work. Quotes are due August 10. Quotes are expected to be well under budget. At the August 13 Board of Trustees meeting staff will present a summary of contractor quotes and recommended action.

## MEMORANDUM

---

**To: C&C and B&F Committees**

**From: Wes Merkle**

**Date: August 1, 2018**

**Subject: Vehicle replacements**

---

Two 2008 Ford Escapes are scheduled for replacement, one in 2018 and one in 2019. Both vehicles are used in the field daily. In the past year both vehicles have had expensive repairs related to brakes, transmission, and other issues. Repair frequency is increasing, and staff is concerned about reliability.

Recommended Action: Adjust the capital budget by moving the vehicle replacement funds from 2019 to 2018, so that both vehicles can be replaced in 2018.
